

Acetate Adhesive Tape

## No.5

### Features

- ◎ Excellent workability and hand cuttability
- ◎ Excellent flexibility, so this tape has good bundle for electrical wires
- ◎ Good corrosion property

### Construction

### Applications

- ◎ Classified A of electrical insulating tape
- ◎ Termination and outer insulation on transformers and coils
- ◎ Bundling in vanishing process

### Properties

Table 1. General properties

Items	Unites	Values
Total Thickness (Backing)	mm	0.23 (0.18)
Color	—	White, Black
Adhesion to Steel	N/19mm	5.2
Unwinding force	N/19mm	4.8
Tensile Strength*1	N/19mm	128
Elongation*1	%	20
Breakdown Voltage	k V	3.0
Electrolytic Corrosion Coefficient	—	0.98

Footnote : \*1 at Breaking
